

REMARKS

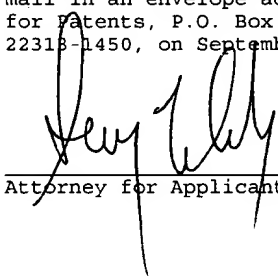

In the Notice of Non-Compliant Amendment dated September 8, 2004, it is set forth the Amendment filed on August 4, 2004 is non-compliant because "Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified". Applicants note that Claims 25-30 did not use one of the 7 status identifiers.

Included above is the corrected section of the non-compliant amendment, i.e., the entire "Amendments to the claims" section of the amendment. Claims 25-30 are listed and indicated as "New" and the term "and" has been deleted from new Claim 30 as a clear typographical error.

If the Examiner has any questions relating to the above or if further action is required on the part of Applicants, the Examiner is respectfully requested to telephone the undersigned Attorney for Applicant(s) immediately.
